Many parents are opting to pay regular amounts in to the school account ASB: 12-3209-0059410-00 which is held in the student's name and which can be accessed for the student's requirements by an authorising note or email to the Accounts Assistant, aporter@aggs.school.nz. Remember to put your daughter's full name in the reference column and an indication of what the payment is for.

The school donation is used to provide additional resources and equipment for our students in a wide range of extra-curricula activities. The school donation is \$220.00 for the first student in a family and for siblings attending at the same time the contribution is \$160.00.
