

GETTING TO SCHOOL

As an Inner City School Auckland Girls' Grammar School is well serviced by public buses from all parts of Auckland. Students who catch buses, which do not run along K'Road get off at Symonds Street and walk to school (approximately 12 minutes). There is also a connecting bus from the Downtown Railway Station to the School.

Coachways New Zealand (private run charter) offer a safe and reliable daily service using a 45 seater MAN school bus for the **060** run and a 73 seater bendy bus for the **061** route. **Students can purchase 20 or 10 click on ride tickets.** (See overleaf for details about purchasing tickets). The bus will stop at all bus stops along the routes below. Hop cards cannot be used on the Coachways bus service.
