Multi-level semester courses for senior students: Childcare, Pasifika Studies, Hospitality 1 & 2

ESOL courses: Foundation English or Intermediate English

NOTE: If insufficient numbers of students choose a particular course, then it may not be viable to run that course in 2018. In some cases, it may be possible to combine two levels of a subject into one class so that the two courses can run. We also offer some subjects through Harbournet (e-learning with video conferencing and distance learning).
